# Housing Resource Guide 2018

**Camarillo has all aspects of a suburban rural community with a small-town quality. The seller may contact any person on the list or sell to any other income-qualified buyer. To be added to the list, call 805.388.5367. ## Housing Rehabilitation

There are limited funds available to rehabilitate homes in Camarillo. When available, they are in the form of low-interest loans and grants that are used to rehabilitate owner-occupied residences and mobile homes in Camarillo. The program uses Community Development Block Grant funds to improve the quality of life for low- and very low-income residents by assisting with property repairs and improvements to make their homes decent, safe, and sanitary.

The owner must qualify as either a low- or very low-income household. Most rehabilitation assistance is in the form of a low-interest loan. Grants are available to extremely low-income families, where it is demonstrated there is not the ability to repay the loan.
