Subject: Support letter regarding Camarillo Chamber of Commerce

Honorable mayor Kilder and council members:

My name is Dr. Jacqueline Pick, and my family and I are the owners of DP Grand Camarillo Plaza. The Camarillo Chamber of Commerce acted as a bridge between us, a small business owner, and the city of Camarillo. Gary Cushing our Chamber CEO, has acted on numerous occasions as a liaison between the city and the plaza in order to get permits and other needs that the plaza needed.

Our tenants have benefited by being Chamber members, and because of the Chamber we are present in the general public's eye.

Our DP Grand Camarillo Plaza supports the Camarillo Chamber of Commerce's commitment to our local business community and its relationship with the City of Camarillo.

Sincerely,

Dr. Jacqueline Pick
Camarillo Plaza Owner
