NOTICE OF PUBLIC HEARING

The City Council will conduct a public hearing on **Wednesday, August 28, 2019** at 7:30 p.m. in the City Hall Council Chambers, 601 Carmen Drive, Camarillo, to consider an amendment to Section 10.34.120 (E), Construction, Buildings and Structures, of the Camarillo Municipal Code (CMC) to clarify when construction activities that exceed city noise regulations are prohibited, and to streamline the existing municipal code section.

The City Council exercises its independent judgment and finds that this ordinance is not subject to California Environmental Quality Act (CEQA) pursuant to the State CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, Section 15060(c)(2), because the proposed ordinance will not result in a direct or reasonably foreseeable indirect physical change in the environment; and Section 15061(b)(3), because the proposed ordinance is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. The proposed ordinance clarifies certain days that construction activities will be prohibited and streamlines an existing municipal code section, and will not result in any impact to the environment. As such, it can be seen with certainty that there is no possibility that the enactment of this ordinance may have a significant adverse effect on the environment. Therefore, the adoption of this ordinance is exempt from CEQA.

The City Council may proposed modifications or other adjustments deemed to be appropriate. Any persons interested in these matters are invited to attend and present testimony either for or against the proposed application. If you challenge the proposed action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice or in written correspondence delivered to the City Council at or prior to the public hearing.

Copies of the agenda report and proposed Ordinance will be available for review prior to the public hearing on the City's website at www.cityofcamarillo.org and at the Community Development Department at the address below.

For further information, or to provide any comments regarding this project, you may contact case planner, David Moe, at:
