Water Conservation Credit Program

Background

- Drought conditions and development projects
- Water Demand Credit Program
- Water Demand Offset Program

Water Conservation Credit Program

- Cost to offset 1 ac-ft/year of demand is approx. \$8,825
- \$3 million paid to offset 346.6 ac-ft/year in new demand
- \$1.2 million spent to date with 171 ac-ft/year of demand offset
 - 2,080 ultra-high efficient toilets – 0.8 gallons per flush
 - 1,530 water saving shower heads and faucet aerators
 - 75 smart irrigation controllers
 - 7,643 sprinkler nozzles and 12,936 feet of drip irrigation
- Remaining \$1.8 million expected to offset remaining 175.6 ac-ft/yr

City of Camarillo
Department of Public Works

YOU MAY QUALIFY FOR 2 FREE
Ultra High Efficient Elongated Toilets (UHET)

Replace your high-water-using toilet with a FREE low-water-using toilet. The Niagara Stealth Ultra High Efficient Elongated Toilet (UHET) can help you save up to 33,000 gallons of water per year, per toilet. Customers who would like to participate will pay a one-time fee of only \$50 for installation costs, which includes:

1. Installation of up to two toilets by a qualified professional plumber;
2. Plumbing Permit application and fees.

Optional: participants may avoid the fee and install the toilet themselves as long as they undergo a pre and post-inspection, obtain a permit for the new toilet(s) and properly dispose of the old toilet(s).

Camarillo, CA 93010

Receive a FREE outdoor survey of your existing landscape and irrigation system to check for leaks and to see if you qualify for water-saving devices that can help reduce your outdoor water usage by up to 50%.

COMMERCIAL WATER CUSTOMERS MAY QUALIFY FOR FREE
Ultra High-Efficiency Toilets

Replace the high-water-using toilets on your site with FREE ProFlo Ultra High Efficiency Toilets (UHET). By replacing your toilet with a 3.0 GPF toilet, you will save up to 90% of water per flush!

The installation for up to 7 toilets will cost \$50. Installation of more than 7 toilets will cost \$50 + \$4.45 per toilet. These fees will cover the following services:

1. Installations by a qualified professional plumber;
2. Plumbing Permit application and fees
3. Recycling

Optional: participants may avoid the fee and install the toilet themselves as long as they undergo a pre and post-inspection, obtain a permit for the new toilet(s) and properly dispose of the old toilet(s).
