Camarillo Businesses encouraged to apply for $5,000 COVID-19 recovery grant

Grants can cover costs for COVID-19 impacts, such as technology upgrades, social distancing modifications, personal protective equipment, signage, and other fixed expenses

Basic Eligibility Criteria:
- Business must have been in operation by March 17, 2020
- Business must have current City of Camarillo business license
- Business must have had total annual gross revenue between $25,000 and $2 million in 2019
- Business must have a physical location within the City (a brick-and-mortar business)
- For instances where multiple independent contractors work in one location (Salons and other Personal Services, Real Estate Offices, Etc) only one of the Primary Business Owners of brick-and-mortar business is eligible
- Business must be registered on www.vcreopens.com if permitted and required to register
- Nonprofit organizations and home-based businesses are ineligible

Apply from June 24 to July 8, 2020 at www.rapidresponsevc.org

For questions, call the City Hotline at (805) 388-5351

The program has been developed by the City of Camarillo in consultation with the Ventura County Community Foundation, County of Ventura, Economic Development Collaborative, and Women’s Economic Ventures. If you need access to a computer and internet, please contact Nicole Valdivia at the Camarillo Library to set up an appointment at (805) 383-5685.
