**Re: Sanitary Will-Not-Serve Letter for 2789 Somis Road, Somis Ranch Farmworker Housing Community - APN: 156-0-180-285**

The Camarillo Sanitary District (District) will not serve the proposed project at this time because no District facilities are located within 200 feet of the project location.

This letter does not preclude any future connections to the District as future sewer service becomes available.

The subject property is located outside the City limits and outside Camarillo Sanitary District limits. The County of Ventura should be contacted before beginning any improvements on the subject property.

If you have questions concerning this letter, feel free to contact Lucie McGovern at (805) 388-5334.

Sincerely,

David Klotzle  
Director of Public Works
