

Free Mulch for Camarillo Residents

Mulch from shredded tree trimmings is available year-round at no cost to Camarillo residents courtesy of the City of Camarillo Public Works Department.

The free mulch is for residential, non-commercial use only. Residents must self-load and haul the mulch, and are limited to a maximum of one full-sized pickup bed or equivalent utility trailer size load per year.

To verify mulch availability and schedule a pick up, contact the Streets/Landscape Division at (805) 388-5338, and pick up your mulch at the Public Works Corporation Yard, located at 283 South Glenn Drive, between the hours of 7:00 a.m. and 3:00 p.m.

Proof of Camarillo residency is required.
